The Global Surgical Training Challenge (the "Challenge" is run by Nesta Enterprises Limited ("Nesta") on behalf of the Intuitive Foundation ("Intuitive") and in partnership with the Massachusetts Institute of Technology ("MIT") as represented by the MIT Solve Initiative. Nesta, Intuitive, and MIT may each be referred to as a "GSTC Partner," and collectively as the "GSTC Partners."

Please read these terms and conditions and all additional information on the Global Surgical Training Challenge [website](#) carefully before submitting an entry.

These terms and conditions form an agreement with Nesta. By submitting an entry, you accept and agree to comply with these terms and conditions. If you are submitting an entry on behalf of one or more team members, you represent and warrant that you have provided each of these team members with a copy of these terms and conditions, that each of these team members have accepted and agreed to comply with these terms and conditions, that you have the authority to thus bind each of these team members, and that you will be responsible for ensuring each team member's compliance. You, and each of the team members on behalf of which you are submitting an entry, are individually referred to as a "Participant" and collectively as "Participants."

References to "we", "us" and "our" in these terms and conditions are references to Nesta. References to "you" in the remaining portion of these terms and conditions are references to the Participants individually or collectively.

1.0 Participating in the Challenge

1.1 Entries received by the relevant deadline will be assessed against the relevant eligibility criteria set out in the [Innovator Handbook](#) and on the Challenge [website](#), including any minimum age limits of the associated Participants. Entries which do not meet the eligibility criteria will not be accepted. Late entries and entries in languages other than English will not be accepted. We are not responsible for

and/or will disregard entries which are lost, incomplete, damaged, or late, even if due to computer, network or telecommunications failure.

1.2 Employees of Nesta, Intuitive, MIT, or other individuals or organisations working on the Challenge, and their immediate families or household members, are not eligible to enter.

1.3 You authorize the GSTC Partners to share between themselves the personal information including contact details you provide to any GSTC Partner, and to use the personal information in connection with the Challenge, including contacting you about anything related to the Challenge. All communications between you and us in relation to the Challenge must be in English. If you don't respond within fourteen (14) days of receipt to any communication from us, your entry may be withdrawn at our sole discretion. We may select another entry in place of your withdrawn entry, but are not obliged to do so.

1.4 Nesta's decision about eligibility and shortlisting, and the Judges' decision on selection and the Challenge awards (including in each case the validity of any claims and data submitted) is final. Correspondence with you will not be entered into by any of the GSTC Partners regarding such decisions or selection. Nesta, Intuitive, and the judges may at their sole discretion decide to refuse any entry, and to not to award any prizes where no entry meets the relevant standards.

1.5 We reserve the right at our sole discretion to refuse any entry, and to make no award if none of the entries meet our required standards. We may vary the form or substance of the Challenge (including deadlines, event dates, and the number of entries selected for each phase) as we deem appropriate in the circumstances. We may also suspend or withdraw the Challenge if funding is withdrawn or we judge that the Challenge will no longer achieve its aims. We reserve the right at our sole discretion to remove you from the Challenge if you do not comply with these terms and conditions, if you cheat or behave in a way which is disruptive, inappropriate, or potentially dangerous, or if you fail to participate fully or do anything to damage the reputation of any of the GSTC Partners or their partners.

1.6 We reserve the right to vary these terms and conditions at any time. Variations will take effect from the date they are posted on the Challenge website, so please check regularly to see the current version.

2 Eligibility

2.1 In submitting an entry to or otherwise entering the Challenge, you confirm that you are eligible to enter the Challenge, and eligible to claim the prize you may win. We may require you to provide proof of eligibility.

2.2 You can apply to participate in the Challenge only as a multidisciplinary team as described in the eligibility criteria.

2.3 As a part of your entry submission, you are asked to identify one individual as the team leader. The team leader, along with the person submitting the entry, are responsible for making sure that all team members have read and understood, and have and will comply with these terms and conditions and all relevant information on the Global Surgical Training Challenge [website](#). You must notify us in writing if the team leader changes, and provide us with up-to-date contact details. All team members shall be jointly and severally liable for their obligations under these terms and conditions.

2.4 We welcome entries from a diverse mix of individuals, including teams including team members from medical schools, engineering schools, other academic institutions, tech start-ups, and small to medium sized enterprises.

2.5 In order to receive the Discovery Award or Finalist Award, the awardee must execute a grant agreement with Intuitive. Awards and prizes from the Challenge are described as being made to individuals or teams, so as to promote their personal contribution. Money payments will however only be made to organisations to which the awarded team is connected ("the Sponsor Institute"). The Sponsor Institute must have a demonstrable history of receiving and managing grant or donor funding. If a Sponsor Institute is deemed ineligible to receive funding, then no award or prize may be given. No payments will be made directly to individuals.

3 Discovery Awards, Finalist Awards & Grand Prize

3.1 Assuming that a sufficient number of quality entries meet the eligibility criteria and the relevant standards, we are forecasting the following awards.

3.2 Ten entries will be selected to receive a Discovery Award of up to approximately \$200,000.

3.3 Three entries will be selected to receive a Finalist Award of up to approximately \$500,000.

3.4 One Finalist entry will be selected to win the final Grand Prize award of approximately \$1 million.

3.4 The Discovery and Finalist Awards shall be provided in the form of grants, and the Sponsor Institute will need to execute a grant agreement with Intuitive to receive the grant funds. The Discovery Award, Finalist Award, and Grand Prize shall only be used in ways that will advance the development of solutions that will improve access to low cost surgical training.

3.5 Nesta reserves the right to impose additional conditions if appropriate in our reasonable opinion, if the Challenge has not resulted in sufficient public benefit in line with the aims of the Challenge, or to comply with legal requirements.

3.6 The Discovery Awards, Finalist Awards, and the Grand Prize will be paid in United States Dollars or another currency, at Intuitive's discretion.

4 Choosing the Discovery Award, Finalist Award, and Grand Prize winners

4.1 Eligible entries will be assessed against the assessment criteria set out on the Global Surgical Training Challenge [website](#). Participants may be asked to provide further information or complete further 'sub-challenges' designed to assist the

Judging Panel in making decisions in accordance with the assessment criteria, such as by answering questions of clarification and by a presentation at a pitch day.

4.2 Your application will first be reviewed by an assessment team, including where applicable an external assessment partner and a due diligence partner, and the assessment team will submit notes and scores to the Judging Panel. The Judging Panel will select the Discovery Awardees, Finalist Awardees, and eventually the Grand Prize Winner.

4.3 The notes and scores will support the Judging Panel in their deliberations, but do not by themselves indicate any winners or selections. The Judging Panel will make the final decision.

4.4 The Judging Panel will consist of surgical and education experts. Nesta will publish the names and profiles of the Judging Panel before the entry submission window closes. The composition of the Judging Panel may vary from time to time.

4.5 Nesta must publish or otherwise make available information that indicates that valid awards took place. To comply with this obligation, Nesta will publish on the Challenge website the names of the Discovery Awardees, Finalist Awardees, and Grand Prize Winner, and partial or full descriptions of their entries, following their confirmed selection. Nesta may also publish such information on various social media platforms, at its sole discretion. You authorize the GSTC Partners to make public such information at their discretion, should you be selected as a Discovery Awardee, Finalist Awardee, or Grand Prize Winner.

4.6 Nesta will contact the Finalist Awardees and the Grant Prize Winner promptly after selection by the Judging Panel, using the telephone number or email address for the team leader.

4.7 You are solely responsible for ensuring your eligibility to receive any Challenge awards, and for ensuring that you provide accurate and sufficient information for receiving such awards. Except for damages directly attributable to intentional

misconduct or gross negligence, Nesta and the other the GSTC Partners have no responsibility or liability if you are not able to take up the prize.
